Milk at Buffalo Show

GOLDEN Guernsey milk was represented at the Buffalo, New York, Food Show by a booth conducted jointly by the New York State Guernsey Breeders' Association, Incorporated, and the Peter Hagner Dairy. One of the methods to introduce the milk into the home was the offering of two quarts free if the housewife would pay for two quarts at the booth. The milk would then be delivered one quart at a time for four mornings.

As the result of this campaign 420 people signed up for the four quarts. Aside from this three lucky numbers were drawn every day, entitling the holder to a month's supply of Golden Guernsey milk free of cost. The mechanical cow was used and made quite a drawing card for children as well as grown-ups. As the result of the show a great many people in Buffalo know more about the Guernsey products.

Young Guernsey Bulls

Two months to two years from imported cows now on test in farmer's class. Sired by Brookmead's May Rose Glenwood 57209. Herd Accredited and Negative to Blood Test.

WM. A. DERSTINE, Sellersville, Pa.

Dwyer Family Club

(Continued from page 63)

When the time comes to select calves for each child to feed and show, the children draw and take their choice by lot, each picking the animal he wants from the supply on hand. The fathers have bought a new motor truck with which the exhibits will be taken to the local fairs. They find that when the children take an interest, the calves get the best possible attention.

Finally, after the fair at which they all join and give mutual help to each other, the boys and girls divide the cash prize money equally between the two families of children. It is thus a partnership enterprise that teaches the members to be loyal and to do team work.

New York Club Holds Banquet

THE annual spring banquet of the Herkimer, Delaware and Otsego Guernsey Cattle Club was held on Wednesday evening, May 22, in Herkimer, where nearly fifty Guernsey enthusiasts enjoyed a dinner served by the ladies of the Universalist church, with J. S. White, Herkimer Farm Bureau agent, and Miss Grace Smith, Herkimer County Home Demonstration agent

We are offering several bull calves from high producing tested dams - also some female foundation stock.

HERD FEDERALLY ACCREDITED

NEGATIVE TO BLOOD TEST FOR CONTAGIOUS ABORTION

The farm that has the highest Washington City Health Department rating.

Midsummer Feed Costs

should be thought of as an investment. They have a direct relation to Fall and Winter milk receipts.

Feeding liberally in July and August—when the juice is going out of pastures and the heat and flies are getting on the nerves of even YOUR contented and well-cared-for herd—is an investment sure to pay Autumn dividends.

Insufficient grain feed—when pasture gets into that midsummer dryness—only means that your cows are drawing on their body reserves. And that, in turn, means poor cows by Fall—just when you want higher production on higher milk prices.

Diamond Corn Gluten Meal

takes care of the protein for the Summer ration. We can give you simple formulas containing Diamond, or tell you of the best ready-mixed feeds for all seasons.

Breeders Organize and Hold Banquet

ON the night of April 15 a number of breeders met in the office of the county agent at Greensboro, North Carolina, for the purpose of organizing a Guilford County Breeders' Association. The following officers were elected: President, T. H. Antrim; vice president, Dr. W. A. Hornaday; secretary-treasurer, W. C. Fleming. E. P. Sharpe and S. K. Wilson and the above officers were elected to the Executive Committee.

H. C. Bates, industrial agent of the Southern Railway, was introduced to the breeders and gave a very interesting and inspiring talk on Guernseys and the prospects of their future in Guilford County and the South.

The association laid plans for a banquet to be held on the night of May 7, the day before the North Carolina Sale. Invitations were sent to all members of the North Carolina association and several were present on the night of May 7. T. H. Antrim acted as toastmaster and he called upon several people for speeches. Those responding were: J. A. Gawthorpe, secretary of the Greensboro Chamber of Commerce, who gave an address of welcome to visiting breeders; W. H. McLean of Washington; John A. Arey, of the North Carolina Extension Department, and Thomas Franklin of Brant Rancho, Owensmouth, California, who gave an interesting talk on Brant Rancho and Guernseys.

Columbia County Breeders Meet

A VERY enjoyable and interesting evening was had by the members of the Columbia County, New York, Guernsey Breeders' Association at their annual meeting and dinner at Rainbow's End, Kinderhook, on May 28. The association had as its guests, Peter G. Ten Eyck of Albany, A. B. Buchholz, County Farm Bureau Agent, and B. J. H. Rikert of the New York State Guernsey Breeders' Association.

James E. Van Alstyne, the retiring president, called upon Clifford E. Greene to outline the work of the association in the three years of its existence. In 1926 the first county herd was shown at the state fair; there were four herds entered and

Columbia County took fourth place. In 1927 six herds were shown, Columbia County taking second place, and in 1928 with eight county herds shown, Columbia County again took second place.

Mr. Buchholz congratulated the association on what it had accomplished since its organization and spoke of the great importance of maintaining the necessary supply of milk for the New York City market. Mr. Ten Eyck spoke very forcefully on the absolute necessity of keeping the New York City milk market for New York State farmers, while Mr. Rikert spoke of the work of the state association, particularly in regard to the sale of Golden Guernsey milk.

Oscar F. Kinney of North Chatham was elected president, James E. Van Alstyne of Kinderhook, vice president, and Charles S. Fayerweather of New Lebanon, secretary-treasurer. Mr. Kinney in a few words thanked the association for thus honoring him and asked the support of the members for the county association and also for the state association, of which he is a director.

Among those present were: J. S. Hand, Dorr Allen, M. C. Van Alstyne and R. E. Cullan of Stuyvesant Falls; O. F. Kinney, A. L. Bibbins, S. E. Hicks, Earl Williams, C. E. Greene and Stanley Seymour of North Chatham; W. J. Green, E. R. Green, D. L. Smith, Roy McVaugh, J. E. Van Alstyne of Kinderhook; Orris Haner and D. V. Knapp of Chatham; George Huson of Old Chatham; R. W. Rockwell, R. C. Rockwell and C. S. Fayerweather of New Lebanon.

New Officers

THE new officers of the Sauk County, Wisconsin, Guernsey Breeders' Association, elected at a recent meeting include: President, Clifford Capener; vice president, Carl Wichern; secretary, Arthur Hyzer. The association is planning an enlarged program for the coming year.

New York Club Banquet

(Continued from page A-3)

cleverly introducing everyone present. During the banquet music was furnished by the Ilion school orchestra, directed by F. Fay Smith.

The speakers of the evening were Harlo Beals, Otsego Farm Bureau agent, who spoke on the Otsego County Dairy Council; C. J. Hinds of Springfield Center, director, and B. J. H. Rikert, business manager of the New York State Guernsey Breeders' Association, who outlined in detail the service the state Guernsey breeders' association is giving to Guernsey breeders, and Allen Pomeroy, 4-H club leader of Otsego County, who had as his subject, "The 4-H Clubs, Do They Do Any Good?"

The program ended with remarks from the leading breeders present and an expression of appreciation by George A. Runnals, president.

Clark Increases Herd

GEORGE P. CLARK, owner of Horseshoe Falls Farms, Shannock, Rhode Island, recently purchased four good Advanced Register cows from Mount Hope Farm, Williamstown, Massachusetts. These all go to help increase the herd and develop his local Guernseys.
